

## EL BUSCADOR 2019

**EL BUSCADOR 2019** made with 80% tempranillo and 20% Garnacha from our Finca Las Ginebras, in Labastida

**EL BUSCADOR** is made in stainless steel vats filled from the bottom to avoid any kind of damage or mashed grapes.

Ageing in second and third use French (80%) and American (20%) barrels looking for the aromatic complexity and for preserving as much as possible, the fruit.

Buscador 2019 is a creamy, friendly and easy to drink red wine maintaining the volume and structure of our wines. A wine to be enjoyed from the first approach.

**Colour** Cherry colour with some violet hints typical from the village of Labastida.

**Nose**, Good aromatic intensity, very fruity with some floral touch. Cacao, chocolate and black pepper blended with the "sweet" fragrance of the American barrels. Great wine, with enjoyable acidity and above all, balance and juiciness..

**Mouth** Silky, elegant and delicate from the first approach. Good intensity and length, Very fruity and friendly
